Al Adrak Trading & Contracting

PROJECT : AMM Golf Apartments

SUBJECT : Supply of TRANE Air Cooled Chiller

Dear Sir,

We thank you for inviting us to quote for the subject stated above. We are pleased to submit our most competitive techno-commercial bid for the subject project as under-

Scope of Work

Air Cooled Chiller

*

Air Cooled Chiller CRTAG

- * Chiller Selection: Units shall be selected in accordance with the selection sheet provided.
- * Country of Origin: The proposed chiller shall be manufactured in China.
- * Compressor Configuration: Equipped with 2/3/4 semi-hermetic screw compressors operating at 3000 RPM.
- * Refrigeration Circuits: Single or Two independent refrigeration circuits for enhanced reliability and operational flexibility.
- * Power Supply: Designed for 400V / 50Hz / 3-phase power supply.
- * Compressor Starter: Wye-Delta starter configuration for smooth compressor motor startup.
- * Power Connections: Provision for single or dual power point power supply.
- * Capacity Control: Continuous modulating capacity control for precise load matching and energy efficiency.
- * Evaporator: Shell and tube evaporator insulated with 19 mm thick expanded rubber foam for improved thermal efficiency.
- * Electrical Protection: Integrated under-voltage and over-voltage protection for electrical safety.
- * Condenser Coil: High-efficiency copper-aluminum heat exchanger.
- * User Interface: TD7 display with a user-friendly human-machine interface for simplified operation and diagnostics.
- * Safety Components: Includes flow switches, discharge valves, and neoprene isolators for system protection and vibration control.
- * BMS Integration: BACnet communication interface card for seamless integration with Building Management
